

Student Retention Rates

According to regulations published by the Department of Education the retention rate of certificate or degree seeking first-time, full-time, undergraduate students is 27%. These rates combine the retention rates from the main school campus and all its branch campuses. This location opened in early 2010 and sufficient time has not passed in order to provide applicable retention data.

The retention rate is calculated based on the number of first-time, full-time students, who entered school in Fall 2009 and were still enrolled as of Fall 2010.
