

“DOUBLE THE SUCCESS”

MOTHER AND SON BECOME PROUD BROWN MACKIE COLLEGE GRADUATES

It is not very often that a mother graduates from college alongside her son, but for Tina Dunlap, it was one of her proudest moments. Tina, as well as her son Tony Dunlap, enrolled in the Computer Software Technology program at Brown Mackie College – Michigan City. “My son encouraged me to go back to school and that’s exactly what I did,” says Tina, about her decision to enroll at Brown Mackie College – Michigan City. She states her biggest source of inspiration is her son. “I knew if my son could do it, I could do it.”

Tina truly benefited from her decision to attend Brown Mackie College – Michigan City. “The teachers helped me out in all my classes,” Tina explains. During her time at Brown Mackie College – Michigan City, Tina was also able to successfully complete an externship with a women’s shelter. She graduated from Brown Mackie College – Michigan City in 2007 with perfect attendance honors. Tina’s future goals include opening up her own business.

Tony Dunlap’s desire to also open his own business provided his motivation to enroll in Brown Mackie College – Michigan City. Tony, who currently works as a restaurant manager, is grateful for the education he received while attending Brown Mackie College – Michigan City. “The teachers at Brown Mackie

College taught with care, and most importantly they helped students learn,” Tony explains. Having completed a business externship with Brown Mackie

College, Tony was able to gain first hand experience on what it takes to run a business. “I was able to handle the company’s inventory and its office invoices,” Tony says.

Tony is very proud of his achievements. He was able to graduate from Brown Mackie College – Michigan City in 2007 with a degree in Computer Software Applications with perfect attendance, academic dean’s list honors and was inducted into Alpha Beta Gamma, an honor

society. Along with his mother, Tony lists his children as his source of inspiration. “I wanted my children to have a stable life, and I know I can provide that for them by getting an education,” states Tony. He is planning on pursuing his bachelor’s degree in the near future. He speaks about the success he and his mother enjoy: “Don’t quit, because quitters never win.”
