

# BROWN MACKIE COLLEGE

## BOISE<sup>SM</sup>

---

June 9, 2008

We are pleased to announce a new addition to the educational community for prospective students in the greater Boise, Idaho area.

Brown Mackie College – Boise will be joining the Brown Mackie College system of schools, with locations across the United States, dedicated to providing educational programs that prepare students for entry-level positions in a competitive, rapidly-changing workplace.

Initially, Brown Mackie College – Boise will offer bachelor's degree programs in Business Administration, Criminal Justice, Legal Studies, and Healthcare Management; associate's degree programs in Accounting Technology, Business Management, Criminal Justice, Healthcare Administration, Information Technology, Medical Assisting, Office Management, Paralegal, and Surgical Technology; and diploma programs in Accounting, Business, Criminal Justice, Medical Assistant, and Paralegal Assistant. Centrally located on West Overland Road in Boise, the school will afford students access to many resources including support systems, student lounges, computer labs, and other facilities and services.

Brown Mackie College – Boise is committed to making an important contribution to the personal and professional development of its students, as well as to the economic growth of the region that it serves by providing higher education opportunities that prepare skilled graduates for their chosen professions.

After you've had a chance to review the enclosed media kit, I would like to extend a personal invitation for you to speak with Danny Finuf, president of the Brown Mackie College system of schools. President Finuf is available to the media to discuss the importance of the community to Brown Mackie College – Boise; its strengths, mission, people and programs; and plans for future growth and development. He can also provide you with information on enrollment trends, featured faculty, how to apply and much more.

Please do not hesitate to contact me at (412) 995-7262, [jpmuller@edmc.edu](mailto:jpmuller@edmc.edu) or Linda Friesz-Martin of Lynda Friesz Public Relations at (208) 336-1701, [lynda\\_frieszmartin@lfprinc.com](mailto:lynda_frieszmartin@lfprinc.com) if you have any questions, or would like to set up a discussion in advance. Thank you for the opportunity to deliver this message about Brown Mackie College – Boise to the community it will serve.

Sincerely,

Jacquelyn P. Muller  
Vice President – Public Relations

### **EDUCATION MANAGEMENT LLC ANNOUNCES THE OPENING OF BROWN MACKIE COLLEGE – BOISE** *Classes Slated to Begin September 2008*

(BOISE, Idaho – June 9, 2008) Education Management LLC (EDMC) today announced the addition of Brown Mackie College – Boise to its Brown Mackie College system of schools. Brown Mackie College – Boise will be Education Management's first school location in the state of Idaho.

With its first day of class slated for September 2, 2008, Brown Mackie College – Boise will occupy approximately 26,600 square feet at 9050 West Overland Road near downtown Boise. The school will begin enrolling students immediately.

"Brown Mackie College – Boise will offer curricula that complements the demand for a skilled workforce in the Boise metropolitan area," says Danny Finuf, president of the Brown Mackie College system of schools. "The school's curriculum and educational programs are designed to enable students to achieve their professional and personal aspirations while making a meaningful and long-lasting contribution to the community."

Brown Mackie College – Boise will initially offer Bachelor of Science degree programs in Business Administration, Criminal Justice, Legal Studies, and Healthcare Management; and Associate of Science degree programs in Accounting Technology, Business Management, Criminal Justice, Healthcare Administration, Information Technology, Medical Assisting, Office Management, Paralegal, and Surgical Technology. The school will also offer diploma programs in Accounting, Business, Criminal Justice, Medical Assistant, and Paralegal Assistant.

The school's educational model is designed with the needs of students in mind – flexible academic program delivery options offered at convenient times, personalized instruction and small classes which enable students to fulfill work or family obligations as they pursue a higher education degree.

For information on classes at Brown Mackie College – Boise, call (888) 810-9286 or visit the school's website at <http://www.brownmackie.edu/boise>.

###

*Brown Mackie College – Boise is accredited by the Accrediting Council for Independent Colleges and Schools. Brown Mackie College – Boise is a branch of Brown Mackie College – South Bend, located in South Bend, IN.*

*Brown Mackie College – Boise is one of 19 school locations of the Brown Mackie College system of schools ([www.brownmackie.edu](http://www.brownmackie.edu)), which is dedicated to providing educational programs that prepare students for entry-level positions in a competitive, rapidly-changing workplace. Education Management LLC ([www.edmc.com](http://www.edmc.com)) is among the largest providers of private post-secondary education in North America, based on student enrollment and revenue, with 85 locations in 27 U.S. states and in Canada. Headquartered in Pittsburgh, Pennsylvania, Education Management LLC (EDMC) employs more than 14,480 faculty and staff and had a fall 2007 enrollment of 96,000 students.

EDMC's Argosy University ([www.argosy.edu](http://www.argosy.edu)) provides graduate and undergraduate degree programs in various fields including clinical psychology, counseling, education, business, and the health sciences. EDMC's The Art Institutes schools ([www.artinstitutes.edu](http://www.artinstitutes.edu)) offer various degree and non-degree programs, including master's, bachelor's, associate's, and non-degree programs in the areas of design, media arts, fashion, and culinary arts. EDMC's Brown Mackie College schools ([www.brownmackie.edu](http://www.brownmackie.edu)) offer bachelor's degree, associate's degree, and diploma programs in health sciences, business, information technology, legal studies, and design technologies. EDMC's South University ([www.southuniversity.edu](http://www.southuniversity.edu)) offers graduate and undergraduate degree programs in various fields including business, legal studies, information technology, and health sciences fields.

EDMC has provided career-oriented education for over 40 years. EDMC faculty members are not only skilled instructors, but also trained professionals in their fields. Many faculty members have extensive industry experience as well as standard academic qualifications.

**Argosy University**

Argosy University ([www.argosy.edu](http://www.argosy.edu)), with 19 campus locations in 13 states, is a private academic institution dedicated to providing undergraduate and graduate degrees to students in a supportive learning environment where academic knowledge is enriched by the acquisition of interpersonal skills vital to success. With one of the largest communities of graduate students in the nation, Argosy University offers doctoral and master's degree programs in psychology, business, counseling, and education. The institution also offers bachelor's degree programs in psychology and business, and associate's degree programs in various health sciences fields. Argosy University is accredited by the Higher Learning Commission and is a member of the North Central Association (NCA) (30 N. LaSalle Street, Suite 2400, Chicago, IL 60602; [www.ncahlc.org](http://www.ncahlc.org)).

**Western State University College of Law**

Graduates of Western State University College of Law ([www.wsulaw.edu](http://www.wsulaw.edu)), located in Fullerton, CA, are employed in private practice and serve in public office throughout southern California and the country. They include hundreds of prosecutors and public defenders throughout California and countless professionals in private practice, in administrative and government positions within state and local bar associations, and in a number of diverse ethnic and gender-related organizations.

### **The Art Institutes**

The Art Institutes ([www.artinstitutes.edu](http://www.artinstitutes.edu)), a system of over 40 education institutions located throughout North America, is an important source of design, media arts, fashion and culinary arts professionals.

The Art Institutes schools offer a broad range of programs including: Audio Production, Computer Animation, Culinary Arts, Culinary Management, Fashion Design, Fashion Marketing, Graphic Design, Industrial Design Technology, Web Design & Interactive Media, Interior Design, Media Arts & Animation, Photography, Restaurant Management, and Video Production. Not all programs are offered at all schools.

### **Brown Mackie College**

With 19 school locations, the Brown Mackie College system of schools ([www.brownmackie.edu](http://www.brownmackie.edu)) offers bachelor's degree, associate's degree, certificate and diploma programs in health sciences, business, information technology, design, and legal studies. Its academic programs include medical assisting, practical nursing, occupational therapy assistant, physical therapist assistant, business management, accounting technology, computer applications, computer programming, electronics, paralegal studies, criminal justice, audio-video production, and computer-aided design.

### **South University**

South University ([www.southuniversity.edu](http://www.southuniversity.edu)) is a five-campus institution that has used a combination of a diverse curriculum, an educational delivery that focuses on the student, and a teaching philosophy that blends the academic with the practical to meet the needs of a wide variety of students. Campuses are located in Savannah, GA; Montgomery, AL; Columbia, SC; Tampa, FL; and West Palm Beach, FL.

On all five campuses, South University is divided into the School of Business and the School of Health Professions. In 2003, South University became the only proprietary institution accredited at the doctoral level by the Southern Association of Colleges and Schools. The South University School of Pharmacy in Savannah, offering the Doctor of Pharmacy degree, is the first proprietary pharmacy school to be granted accredited status by the American Council on Pharmaceutical Education.

EDMC schools strive to work closely with employers to design programs that meet specific industry needs. Each EDMC school is licensed by the state in which it is located and is authorized to confer its respective doctoral, master's, bachelor's, associate's and certificate level programs.
